A black and white line drawing of two men in 17th-century attire. They are standing on either side of a large, draped curtain. The man on the left is facing right, and the man on the right is facing left. They are both holding long rifles, which are crossed in the center. The background consists of vertical lines suggesting a stage or a simple backdrop.

Getting Our Act Together

On August 25 as the halls crowded with students looking for their homeroom number and teacher, the feeling of a new year was in the air. Students were discussing exciting summer experiences and how it flew by faster than ever before. You could hear them laughing about picnics, surprise birthday parties, the weekend their parents went away, Three Rivers Festival, tee-peeing, painting posters as well as billboards, and even expensive fishing trips.

But now the summer is over and a new school year is ready to begin. We can compare ourselves to actors who are not looking forward to long nights of rehearsal and studying lines, but who are looking forward to opening night and all of the exciting performances.

We soon see Scene I which contains Homecoming week and asking that special friend to the dance. We look ahead to Scene II the fall play where we see our friends fall apart on opening night. We also look forward to the other approaching scenes containing Christmas vacation, New Year's Eve, ACAC week with road trips to the Colesium, Spring Break and the annual trips to the South, the Prom, which will be a very special night we all hope to have a date for. And then the final scene, the spectacular night that 12 years of hard work and dedication is all about - Graduation.

As an actor looks forward to all of his work and opening night, we as students look forward to practices and events, and realize that it is all a part of "Getting Our Act Together".

As a member of the student council, Senior Reba Salway relaxes while she supervises the Freshmen Mixer.

During Hoagland Days, Sophomore Todd Aurand talks with some friends while he waits for the parade to begin.

Because he is a member of the set crew, Sophomore Clint Travis helps prepare the set for the up coming Buskins production *Murder on the Nile*.

During summer band practice, Junior Kim Melcher, Sophomore Jana Kiess, and Junior Julie Grotrian practice a routine.

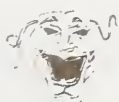

At the Monroeville Days Parade, Junior Dawn Dettmer concentrates on her pompon routine while smiling at the crowd.

During Monroeville Days, Juniors Vicki Knepelkamp and Chris Franklin watch as a band performs in the talent contest.

At the Freshman Mixer a group of freshmen gather to play a game before they begin to dance.

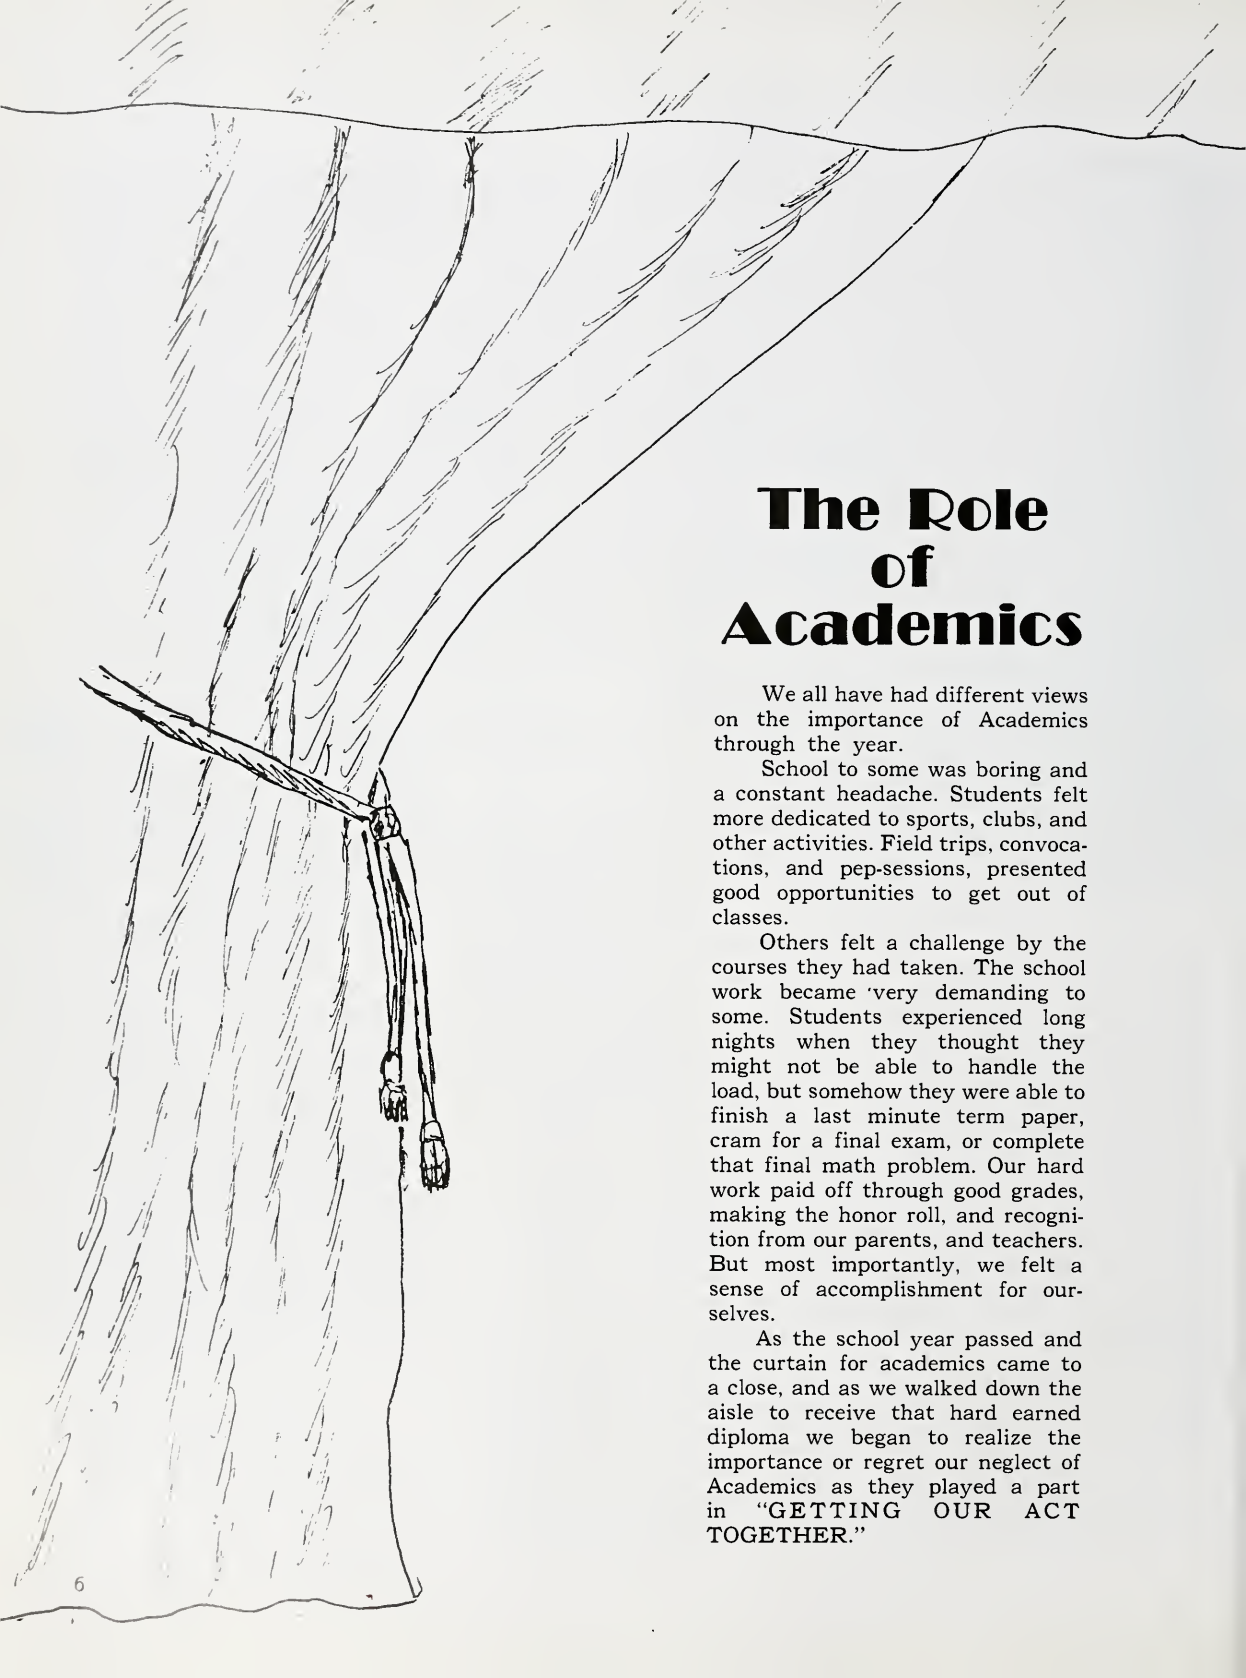

At Scoaff Park, Senior Angie Dickmader, Sophomore Pam Allison, and Freshman Dawn Sorg try to better their times in the ACAC meet.

Because she is Hoagland Days Queen, Senior Cheryl Roussey rides in the Monroeville Days Parade.

The Role of Academics

We all have had different views on the importance of Academics through the year.

School to some was boring and a constant headache. Students felt more dedicated to sports, clubs, and other activities. Field trips, convocations, and pep-sessions, presented good opportunities to get out of classes.

Others felt a challenge by the courses they had taken. The school work became very demanding to some. Students experienced long nights when they thought they might not be able to handle the load, but somehow they were able to finish a last minute term paper, cram for a final exam, or complete that final math problem. Our hard work paid off through good grades, making the honor roll, and recognition from our parents, and teachers. But most importantly, we felt a sense of accomplishment for ourselves.

As the school year passed and the curtain for academics came to a close, and as we walked down the aisle to receive that hard earned diploma we began to realize the importance or regret our neglect of Academics as they played a part in "GETTING OUR ACT TOGETHER."

Heritage students care

As the end of the year approached, we saw changes in our friends, our attitudes, and in our plans for the future. With each class having their own unique personality, the after-school activities were memorable, and numerous.

We came one year closer to the individuals in our own classes and made new friends. Besides growing closer to our own classmates, we also grew closer to members of other classes. "I think it's really great the way Heritage kids always support each other. It seems like it has always been like that. Everyone really seems to care," stated Freshman Christina Kaplanis.

Although there was much competition among ourselves, such as tryouts for play, teams, cheerleading, Patriettes, and Homecoming, when it came down to competing with other schools, besides our own, we became united and our act came together.

Principal of Heritage, Mr. Claron Hanefeld writes a note to a parent to tell about a student's grade situation.

New Changes Expected

Although there were few changes in the faculty, we saw many changes in the school. First of all, we saw a new color in the hallways. Second of all, we noticed a change of lunch periods. There were both positive and negative comments about the changes.

As for staff changes, we had to say good-bye to one of our teachers, Mrs. Schmidt. Yet we gained a new face by her replacement, Mrs. Eckert. We also saw a change in the math

department as Mr. Johnson taught algebra. Though there were not many changes we heard of the changes that were to take place in the following year. We all had to say good-bye to Mr. Hanefeld as this was his last year as principal. We heard of his replacement being that of Mr. Drews. Although the changes were not to take place until the next year, we saw towards the end of the year a gradual change of what the year ahead would consist of.

Freshmen, a real part of H.H.S.

As 153 new students crowded the downstairs hallway, a sense of confusion was in the air. A major crisis was thought to be taking place when a locker would not open or a classroom could not be found. But as time went by, the once major crises were mere incidents.

As Homecoming approached, the class of "87" realized they

were now a real part of high school. Taking first place in hall decoration and in class dress, along with taking second place in the bed-race and spirit events, it was obvious to the Freshmen that high school was not all school work.

As many new friendships were made, the Freshman class looked forward to their future at Heritage High School.

Sophomores Involved.

With a year of experience behind them, the sophomores were looking forward to bigger challenges. They showed their determination by placing second in the hall and bed-race events during Homecoming week.

The class of '86 was given the opportunity to purchase their class rings. "I was excited to get my ring. It made me feel more involved in high school," explained Carey Stephenson.

Many sophomores also, were

able to obtain their license, after taking courses during the summer. It made it much easier for them to get around and be with their friends, thus taking the burden off parents. The class also was given more choice of elective classes. They were not just limited to the basics.

Commented Becky May, "the best thing about being a Sophomore is we're a year closer to graduation."

"85" Shows Pride

As the Juniors were now on the upper-floor of the school, the thrill of being upperclassmen was not as big as they had anticipated. Many new problems were faced as the class of "85" began their junior year. Besides their junior year being the most difficult, they also had to take tests such as, PSAT, Junior Achievement, and the dreaded SAT.

Although their junior year was not all fun, the class made the best of it. During Homecoming,

they showed their spirit by dressing as "Junior G.I. Joe's" and placing second in Field Day and second in the Spirit competition.

They also displayed their pride by giving the Seniors an excellent prom. The year was filled with great times such as, sledding, crazed birthday parties and the prom.

As it came to a close, we saw that it was all a part of "Getting our act together".

Seniors Remember

Seniors, let us take a moment and look back on our high school years. Remember our Freshman year? In 1980 we as Freshmen walked into Heritage High School. As usual, we were terrified of upper classmen, but that didn't stop us from meeting new people. One event that the class of '84 will always remember during '80 is Homecoming. Besides the dress-up days, field day and pep session, a few upper classmen had a Senior Homecoming prank planned. According to the New Sentinel, these Seniors had vandalized approximately \$1,500 worth of property. No matter how much damage was done, it was an event that we will always remember.

Our Sophomore year we walked into school with much more confidence. We could no longer be called "rookies". One of

the best weekends of our sophomore year was spent in Indy in February, when our girls' basketball team won the state title. Another event was the flood of '82. We helped our city overcome this disaster and got out of school at the same time.

In the fall of '82, we were finally upper classmen. Once again, our girls' team gave up the chance to spend another weekend in Indianapolis. Although each of us had new friends and new romances, the majority of our Junior year was spent on academics, as many of us prepared for college.

And then our Senior year, the Seniors came in 1st during Homecoming. We also started a new tradition by skipping 5th period to carol the entire school the day before Christmas break.

Double Header Influences Prom

As many of the boys rushed home from the double header baseball game, girls were panicking because their dates for the evening were already 30 minutes late.

On May 12, 1984, the annual prom was held at a favorite restaurant and most ended the

"Tonight We Celebrate Our Love"

evening at the lake.

At approximately 10:00 the humorous prophecies and wills were read. Soon afterwards the Prom Court consisting of Ted Jacquay, Dawn Dettmer, Paul Ottenweller, Margie Ford, Mike Roy, Shannon Fitzgerald, Don Roop, Peggy Hockemeyer, Jeff

Crates, and Tracy Meyer, made their entrance. Last year's King and Queen Brian Hockemeyer and Rhonda Jacquay crowned the new couple, Ted Jacquay and Dawn Dettmer.

The evening ended with an encore of "Rocky Top" and then the Prom theme, "Tonight we Celebrate Our Love." Overall, the Prom remained to be a memorable special evening in our hearts.

As they enter the refreshment line, Freshmen Khris Galligher and Senior Maria Grogg talk to friends.

Pausing before they leave the prom, Corey Sheehan and Shannon Fitzgerald reminisce about the evening.

Relaxing around the table. Prom-goers Chris Voirol, Laura O'shaughnessey, Kelly Rushart, Julie Grotrian, Kristi Perkins, Todd Minnick, Joe O'Shaughnessey and Liz Kramer take time to pause.

As she announces the queen & her court, Junior Jana Webb pauses to watch the court.

Shaking hands with King Ted Jacquay and Queen Dawn Dettmer, Senior Jerry Girardot and Lori Gepfert congratulate the couple.

Grease is the word word word . . .

As March 22 approached, the cast of "Grease" hurriedly prepared for opening night. Due to the numerous snow days, a week of scheduled rehearsals were missed. But the missed rehearsals

Largest turn out ever.

were not noticed on opening night.

To get into the fifty-days spirit, a dress-up day was held Wednesday, the day of the play preview. It turned out to be a success, while many students participated. Friday and Saturday

night were both sold out and Thursday's crowd was also very large. Along with one of the largest casts, the ticket sales turned out to be the largest in Heritage's history.

Among some of the cast members the Pink Ladies included; Cindy Schroeder, Holly Stults, Shalon Guenin, Laura O'Shaughnessy, Jan Harris, and Sheila Rice. The Burger Palace boys were made up of; Steve Grodrian, Stan Grodrian, Scott Ruhl, Greg White and Kevin Linker. The lead parts of Sandy Dumbrowski and Danny Zuko were played by Lisa Rohrbach and Dan Harkenrider.

Writing a letter to her boyfriend, Freddy, Marty (Jan Harris) sings *Freddy My Love*.

In the park, Kenickie (Stan Grodrian) and Rizzo (Cindy Schroeder) cuddle together.

As teen angel (Kevin Johnson) sings *Beauty School Dropout*, French (Holly Stults) listens to his advice as chours girls dance.

As she reminisces about her summer, Sandy Dumbrowski (Lisa Rohrbach) sings *Summer Nights* as Cookie (Sheila Rice) and Marty (Jan Harris) sing along.

Showing the "Pink Ladies" A picture of her boyfriend, Marty (Jan Harris) tells her friends about Freddy.

Because he is *All Choked Up* over Sandy (Lisa Rohrbach) Danny (Dan Harkenrider) gets down on his knees to show his love.

Sitting in the "*Burger Palace*" Eugene (Brent Hoffman) and chorus members Kim Meyer, Jana Webb, and Kurt Overmeyer perform *We Go Together*.

Small community with a Big Heart

Although Heritage may be a small, country school, our community is one that shows tremendous support and great pride in our area. Over the year, we saw our community support us in plays, games, musicals, band performances, magazine sales, flashlight sales, and everything else that required their support.

As we saw the red shirts and tinfoil hearts crowd into the Memorial Coliseum for the final ACAC Girls' and Guys' Tournament game, once again our small community, with a big heart, was evident. We also saw the community's support when the ticket sales for Grease were the largest ever. Although our community was rather small, the spirit that they instilled in all of

us was one that shown brightly in all we did. The community was a big part of "Getting Our Act Together".

Over the year we saw support

Concentrating on the game, Seniors Julie Feasby and Becky Maroney watch as the seniors defeat the juniors in the powder puff game.

Homecoming Sees Changes

Just as we started to get into the monotonous pace of another school year, we saw that Homecoming was right around the corner. Class meetings, Powder Puff Football practices, and the making of class beds were all leading up to the excitement of Homecoming week.

Seniors win Homecoming events.

As the week rolled around we saw students dress as in the future; dress in red, white, and blue; and classes dress as "Freshmen Fortune Tellers", "Tenth-grade Togas", "Junior G.I. Joes", and "Senior Spicollies". We also saw changes in activities. Instead of class floats a bed race was held before the Homecoming football

game. Also, instead of having part of Field Day outside, there were no outdoor activities. One event that did remain the same was the annual Powder Puff Football game. After weekend practices and practicing in the rain, the Junior girls were ready to take on the Senior girls. Though the Juniors gave it their best the Seniors continued to dominate with a win and the final score ending at 18-8. The Seniors also won the over-all Homecoming events.

Though there were many changes this year in Homecoming it was all a part of "Getting Our Act Together".

Who Dunnit?

Opening night, a night an actor looks forward to during weeks of rehearsal. After spending hours rehearsing lines, songs, and entrances the night has finally come. In order to stay calm and collective, an actor must tell himself that this is just another rehearsal. But an actor knows that now he is performing, not just practicing, but performing in front of an audience. "Rehearsal can't be compared to opening night. There's so much more excitement with all of those people out there," stated Junior Steve Grodrian.

Many people wonder how students enjoy the theater with all of the worrying and time that is involved. "I really enjoy portraying someone else. You can be another person just for a short time. I also enjoy entertaining people, and acting is a way I can

entertain the best," commented Junior Holly Stults.

A good performance can always be expected from the HHS drama department. Heritage is proud to have one of the best departments around. The play presented in the fall was Agatha

Awesome Patriots

Heritage Patriots will always reign with their great sports. As the seasons pass by, we see winners and losers of whom we are proud. Heritage was once known as the "farmers' school", but now we are recognized as the "Awesome Patriots".

We will now uphold this image throughout the rest of our days at **Heritage High**. We are blessed with a very fine girls' basketball team, along with a good boys' basketball team; along with volleyball, track, football, cross country, baseball, golf, gymnastics, and wrestling that are sources of recreation and support for students, faculty and parents. We take pride in our athletes and in the many hard hours of practice similar to that which an actor puts in to perfect a part in a play, but we know it is all a part of getting our act together.

Lady Pats Hold Winning Season

The 1983-84 Heritage Girls Basketball team was not expected to achieve nearly as well as they have in the past few years. The experts doubted that they would win over 50% of their games, but the girls showed them that with Heritage fans backing them, they can go a long way.

To the experts surprise, the girls won twenty games and lost only four. Besides those wins, they won the ACAC, which makes it four out of the past five years that Heritage has won it. Also Terri Lydy received most valuable player for the ACAC Tournament. During this tournament, the Heritage Patriot fans were also rewarded with the Sportsmanship Award from the Allen County Sheriffs Department.

The girls didn't stop there. They went to Sectionals and defeated Elmhurst, Bishop Luers, and New Haven, which was the third year in a row for Heritage to win Sectionals.

Then the girls went to Regionals. They had a close game against Snyder, but Snyder just barely pulled through. So Heritage girls ended their season with this, but had really nothing to be ashamed of.

Terri, Shelley Neuok, and Julie Grotrian were picked for the All Conference Team.

In total concentration, Senior Diana Shultz shoots for two.

Girls Varsity Basketball Front Row: Julie Grotrian, Roselyn Ottenweller, Vicki Beerman, Kelly Rushart, Diana Schultz, Peggy Hockemeyer, Amanda McCallum. **Back Row:** Karla Fry, Terri Lydy, Gretchen Albersmeyer, Shelly Neuok, Linda Fuhrmann, Michelle Collett, Meg Aratani, and Coach Cheri Gilbert. Absent Laurie Grabner.

TEAMS HAVE WINNING SEASON

The Reserve Basketball Team ended the season with 15 wins and 4 losses. Junior Michelle Collett and sophomore Ro Ottenweller played the varsity level during the ACAC and Sectionals. "It was a good learning experience that will help prepare me for my future years as a basketball player. It was hard work and determination by team and coaches that help produce a winning season," stated Jane Girardot.

The Girls' Freshman Basketball Team wound up their season on January 10 with a close game against Adam Central. They finished the season with a 5-3 record, winning over North Side, Woodlan and Bishop Luers. Coach Ken Knoblauch said that he was very pleased with the girls' performance.

Final Record Shows Good Season

This year's varsity boy's basketball team had the second best season in Heritage's history. They had thirteen wins and nine losses. They did this with even scoring led by John Reop and Dean Scheumann. Over all, the games that were lost, were not lost by much.

In the ACAC the boys did very well. The team was seated with Adams Central in the opening game. The second game was against Carroll, where the Pats came out on top again. The final game was a disappointment to Heritage. Our guys played a tough game, although the Warriors won by only one point. Heritage had to settle for the runner-up basketball from this tournament.

Patriot pride was hard to hide with the way the boys' team was playing. They gained a lot of support from all the Heritage fans. The team had a great season.

SHOOTING TOWARDS NEXT YEAR

This year's Freshman Basketball team had no special outstanding players. But their record of 6-10 proved that they specialized in teamwork and hard effort.

"It was a fun season with all the games and pizza parties I felt that the coaches were very superior," commented Freshman Curt Wills.

To top off another season, the Reserve Boys Basketball team had a record of 10-11. "It was a very enjoyable season, I'm looking forward to next year," stated one of the many valuable players, Junior Jeff Crates.

Also, Sophomore Randy Miller commented, "I really enjoyed this year's basketball season, I'm hoping we can do better in the years to come." The Freshman and Reserve Boys Basketball teams spirits are shooting towards next year.

Patriots End Season With Win

The varsity football team with a season record of 3-7 record never showed that they didn't have a perfect year. Coach Bob Yager stated, "We won the battle of statistics. We played far better than our record showed." The team set several new records. Brian Hockemeyer had the most passes attempted with a total of 168. Hockemeyer also had the most passing yards with 1,009 yards total. Darryl Sheffer had the longest fumble recovery with a 10 yard return. Also, Jeff Dickmader tied the records of most touchdown passes caught in a single game and in a season. Leading the Pats in tackles was Mark Kramer with 175.5 tackle points. Kramer also set the solo tackle record. Don Roop rushed for 560 yards and scored six touchdowns for a total of 36 points. Don Gerardot set new records including the most passes caught in a single game with 7 and in a season with 27. He also had the most yards gaining 283 yards.

The game that will stand out the most in the minds of the Patriots is the last game of the season, the 40-3 win over the Leo Lions. A game in which more records were set than in any other. Overall, the Patriots were not disappointed with their performance.

Freshman Reserve Gain Experience

Despite the no wins and seven losses, there were some good moments this season. Most of the team's scoring was made by Troy Hockemeyer, Terry Griffiths, Dan Beauchot, and Shelby Wolever. Terry Griffiths gained the most yardage for the freshman team.

Although their season record wasn't outstanding, the reserve team still managed to show their pride. They finished with a 2-6 record. The leading players with the most tackles were Troy Frasure, Kenny Johnson, Doug Highland, Luddy Meyer, Roger Hormann and Chris Kendal. Four touchdowns were made by Matt Chrisman and Jerry Bultemeier gained the most yardage. "Much experience was gained to help the players next year at the varsity level," replied Coach Menze.

GIRLS GAIN WINNING SEASON

The girls' volleyball team opened their season with a game against the Belmont Squaws.

The team had six of the eleven players returning as lettermen.

The girls had a season record of 11-9. They ended their season in a losing game against the New Haven Bulldogs. This resulted in sudden stop, for the girls wish to capture the Sectional title.

The girls lost in a fight for the ACAC title when they came against the Carroll Chargers. The girls' best game of the season was against the South Adams Starfires, the girls played a fantastic game. The game ended with a score of 15-7 and 15-3.

Individual talent also showed up as two juniors Karla Fry and Terri Lydy were named to the News Sentinel ACAC First Team. Also being honored was senior, Gretchen Albersmeyer who was named Honorable Mention for the News Sentinel Team.

During practice, Kenny Johnson and Jeff Oehler prepare for a match.

FIRST PERSON EVER TO GO TO SEMI-STATE

This year's Heritage wrestling team gained a lot of experience. Although the scores don't show it, the team did well. Some individual wrestlers had good records. As a team, they scored seventh in the Conference.

Wally Johnson received second in Sectionals, and was the first Heritage wrestler to go to Regionals, where he scored. Wally was also, a semi-state qualifier.

Even though some time the crowds were not as big for wrestling as they were for other sports, the wrestlers knew the Heritage spirit was backing them throughout their season.

As a whole, the wrestling team had a good season.

RUNNING THROUGH THEIR PARTS

This year's cross country and gymnastic teams did exceptionally well. All of the teams have a real promise for next year.

The Heritage High School Boys' Cross Country team for 1983 had a good season, as some records were broken. Close to twenty guys went out. They scored second in ACAC and fifth in Regionals. They placed first in the Heritage Conditioner and third in the Jay County Invitational. Their dual meet record was nine wins and one loss.

The Patriot Girls' Cross Country team built up a lot of strength. They got better as the season progressed. They had two girls who placed in the ACAC, where they received eleventh place. This was the first year for the Heritage girls to place in the Heritage Conditioner, where they placed sixth. They also placed sixth in the Jay County Invitational.

The gymnasts' team placed third in ACAC. They did well in Sectionals and sent two girls to Regionals. Unfortunately, the girls had a few injuries, which didn't help much.

All three teams did well. It was all a part of "getting our act together."

GIRLS BREAK RECORDS

The Girls Track team had a good season. The season record was 7 and 3.

There were three school records set, including two from Kathy Lepper. She threw 35'4" for the shot put record and 109'1½" for the discus record. Grethchen Albersmeyer broke the record for 400 meter dash with 62.3 seconds.

Grechen placed 1st in ACAC and 3rd in Sectional in long jump. Gretchen and Holly Rice were CO-MVP.

In the Invitational Heritage was Co-Champions in the Gold Medal Relays; Placed third in East Noble Relay, South Adams Relay and Conference Meet.

The Boys Track team also had a good season. The season record was 3 and 2.

The boys placed 4th in the ACAC meet, third overall. In Sectionals, they placed 15th.

Overall the boys and girls track teams for Heritage High did a good job of "getting their act together."

PATS WIN SECTIONAL

Despite periods of rain and cold weather, the baseball and golf teams saw many bright spots through the season.

Winning the sectional was the high point of the varsity baseball season. Head coached by John Campbell, Jr., the team played Adams Central in the semifinal game of the Bellmont Sectional. After defeating A. C., the boys advanced to play Bellmont for the championship. Both games were tough, each going into extra innings, but strong defense pulled the Pats through to victory.

Advancing to the regional, Blackford was drawn for the semifinal game. With the combined pitching efforts of Brian Hockemeyer and Matt Sheehan, the boys played hard; but the final score showed Blackford as the winners with a score of 2-7. The Pats record ended as 12 wins and 11 losses.

The reserve baseball team also did well. With pitchers Mike Wilson and Dan Beauchot and leading hitters Mike Wilson, Carlo Renninger, and Larry Hoffman, the reserve team completed a fine season. Chris VanLear led the team in homeruns.

With a team consisting of many underclassmen, the golf team finished the season with a record of 5 wins and 8 losses and a 10th place finish in sectionals. John Roop received the meda lists honor for overall talent and sportsmanship.

The Freshman Cheerleaders boost the crowds spirit during a freshman football game.

BOOSTING SPIRIT

Promoting school spirit was the job of our cheerleaders this year. They encouraged Heritage Patriot pride throughout the school.

Besides the obvious duty of cheerleading at athletic events, the cheerleaders had other responsibilities. They organized and conducted pep sessions. Creating posters to boost spirit before games was also done by the cheerleaders. At away games, they represented our school well. Long hours of practicing twice a week was needed to improve cheers and formations.

This year's varsity cheerleaders received the sportsmanship award from the Allen County Sheriff's Department at the girls' ACAC tournament.

Over all this year's cheerleaders did a good job of supporting the teams and increasing school spirit.

Languages Offer Cultural Experience

Whether one is planning on a profession in homemaking or becoming president of a major company, one must learn to read and speak English. Many students have elected to also pursue a foreign language as well.

English classes are offered to each grade on three levels, Basic, Regular, and Academic depending on one's English level. English classes cover both grammar and literature.

Mrs. Jane Hursh took 40 students on a field trip to Greenfield Village where students visited the homes of many famous men and women, including Noah Webster, creator of the Webster Dictionary.

Students also traveled to I.U.P.U. to research in the schools library.

When one is preparing his yearly schedule of classes, one must consider taking a foreign language. Those languages offered, in addition to English, are Spanish, Latin, French, and German.

Studying a foreign language is more than just learning vocabulary words. One must learn noun and verb forms, speech, and history of the originating country.

Sophomore Elizabeth Schane commented, "Learning a new language is a lot of hard work, but in the end I think I will benefit from it."

Another student added, "Learning a foreign language is a cultural experience that could never be gained in any other way!"

Scholars receive honors

Trying to help local families have a happy Christmas time, members of the student council sponsored a food drive for the entire student body. In addition to dances, they also held a candy cane sale at Christmas.

The Student Council is selected by the students each year. The student Council officers are selected by council members.

Becoming a member of the Heritage Scholastic Society is an accomplishment that very few seniors are able to achieve. Each member must be in the Top 10% of his graduating class.

As a member of the Scholastic Society Senior Marcia Stahl, shows her ability to clean teeth for her speech class.

Band Marches to Regional

With a change of adding the regional to the band contests this year, Heritage did exceptionally well in making their way to this new challenge. The sectionals were held at Northrop where the Heritage Marching Band received a first division rating. The weekend after, the band marched on to Marion for the regional contest where they were awarded a highly honorable second division rating.

This summer the Patriettes went to a camp at Ball State University. The poms were awarded the "Spirit" award. Sophomore Carey Stephenson commented, "Poms takes a lot of time, but is fun and exciting."

The band deserves a lot of credit for the effort they put in to learning their routines. The band appears at every home football and basketball game. Much time is given in getting their uniforms ready to perform. Every Tuesday and Thursday throughout the summer all band members spent their vacations in practice. As one can see, being a member of the Heritage Marching Patriots takes a lot of time and it shows in their top quality performances.

At the fall athletic banquet, Senior Dennis Shuler announces the name of new letterman.

Listening to Dr. Bessner tell him that his wife has been shot, Junior Mike Roy wears a shocked expression.

During a track meet, Sophomore letterman Pat Metsker takes a leap into the long jump pit.

Because she is a member of the Buskins Club, Senior Cindy Schroeder upholsters a cushion for the *Murder on the Nile* production.

BANQUET HONORS DRAMA MEMBERS

At the annual Buskins Banquet, members of both *Murder on the Nile* and *Grease* were honored. Both the cast and the crew of these two presentations worked together to produce honorable performances.

Awards were presented to the senior members of Buskins. Receiving the Buskins Star Awards were Stan Grodrian and Cindy Schroder. The Lori G. Mack Memorial Award was presented to Kim Critchley and Jim Sorg. The final Award was an award for Distinction in Speech and Drama. This was accepted by Brent Hoffman.

Those male students who have received an athletic letter are eligible to become a member of the Lettermen's Club.

The Lettermen, who assist at athletic events, sponsor a coat rack at basketball games to help raise money for their organization.

When asked what their meetings contained Junior Matt Chrisman stated, "We usually talk about what we're going to do at our next meeting"!

Y-teens Visit Nursing Homes

The Young-Teens (Y-teens) Organization, which is sponsored in part by the Young Womens Christian Assn., is a community service club. Each month members of the Y-teens travel to local nursing homes to visit and play bingo with the residents. Before the Christmas holiday, the Y-teens sponsored a drive to provide toys for needy families.

Concentrating on all aspects of the past and present art, the Art Club held their annual art show during the last week of school. The club also traveled to art shows in the area to learn more on the topic.

The Future Farmers of America (FFA) is a group who studies farming and livestock in hope of a future career. The FFA members were introduced to "computers in farming" along with other up-and-coming farming ideas. Many traveled to contests to gather ideas and exhibit their own ideas to others.

Learning a routine from sophomore Melyssa Winn, Sophomore Y-teens member Tina Gerardot prepares for rifle try-outs.

Smiling sweetly, Senior Joyce Dekoninck pins a flower on her boyfriend, Senior Rick Meyer before graduation.

Getting Our Act Together

As the weather started to get warm, the anticipation of the end of the year was evident. Although there were smiles on most of the Seniors' faces, there was also a bit of sorrow in their eyes. For most, it was the last year they would see many of these people they had seen every school day for four years. And the last time they would be involved in bomb threats, Christmas carolers, and food fights.

For everyone, it was one more year of experience behind them. We had been through good times and bad. We had grown one year closer to our friends. We had also been through new teachers, new coaches, new classes and new friends. But it was all past us now and we had to look to the future. As for some, we saw the summer fun, yet for others, we saw college or a job that would be the start of our adult lives. But no matter what the future held, we would all remember the fun, the parties, the classes, and the people in the year that had past.

As we counted down the final days, they seemed to go faster than ever, and the last day arrived. Although we said good-bye to many familiar things, we were greeting new experiences and learning more and more. As we looked back over the year, it had seemed to fly by, yet it was just one more scene in "Getting Our Act Together."

During an A.C.A.C. game, freshmen cheerleaders Dawn Bradtmueller, Cindy Castleman, Shelley Ertel, and Lori Arnett do a cheer.

Preparing for the play, Murder on the Nile, sophomore Kim Stephey paints the set.

Working in the Guidance Office, Senior Rhonda Jacquay helps prepare the absence list for the day.

Passing the ball to a teammate, Sophomore Ro Ottenweller helps her team gain a win.
